

Success of a 500 million euros 7.5-year Sustainability-Linked Bond

Carrefour today successfully placed a Sustainability-Linked bond issue, indexed to two objectives linked to greenhouse gas emissions within the framework of the Group's Euro Medium Term Note (EMTN) programme, for a total amount of €500 million.

The main features are as follows:

- Amount: 500 million euros
- Issuer : Carrefour SA
- Maturity and payment: October 2030
- Format: Fixed rate, bullet repayment
- Coupon: 3.75% per annum

This issue was 4 times oversubscribed, demonstrating once again the great confidence of the financial community in the quality of the Carrefour signature. This enabled a rapid placement at favorable conditions.

The 500 million euros raised will be allocated to the financing of the Group's general corporate purposes as well as to the refinancing of its debt.

The bond will benefit from a "BBB" rating from Standard & Poor's.
