*This is a free translation into English of the Statutory Auditors' report issued in French and is provided solely for the convenience of English-speaking readers. This report should be read in conjunction and construed in accordance with French law and professional auditing standards applicable in France.*

To Carrefour Shareholder's Meeting,

In our capacity as Statutory Auditors of your company (the "Company") and in compliance with Article L. 22-10-62 of the French Commercial Code (Code de commerce) in the event of a capital reduction through the cancellation of purchased shares, we prepared this report to inform you of our assessment of the reasons for and conditions of the proposed share capital reduction.

The Board of Directors proposes that you delegate to it, with the option of sub-delegation, for a period of eighteen months from the date of this Shareholders' meeting, all necessary powers to cancel, up to a maximum of 10% of its

share capital by twenty-four month periods, the shares purchased by the Company pursuant to the authorization to purchase its own shares in the context of the aforementioned article.

We performed those procedures which we considered necessary to comply with the professional guidance issued by the French National Institute of Statutory Auditors (Compagnie Nationale des Commissaires aux Comptes) relating to this engagement. These procedures consisted in examining whether the reasons for and conditions of the proposed share capital reduction, which is not likely to affect the equality of Shareholders, are in order.

We have no comments to make on the causes and conditions of the proposed share capital reduction.
